[Subject line] Thanks to you, our new STE(A)M lab is open!

Dear [Name]

Thank you! Because of you, [School Name]'s new SmartLab is open—and has been greeted with tremendous enthusiasm!

[Include a quote from a student, Facilitator, or parent]

As a key contributor to this all-in-one STE(A)M environment, you have invested in a generation of learners who are armed with career-readiness skills that will extend far beyond their time in this lab.

To us, you are truly a life-changer.

**Thank you.**

Please join us for a community Open House on [Day, Time]. There, you can tour the SmartLab, meet [Facilitator's Name], who is our SmartLab's Facilitator, and see how your investment is positively impacting students.

In the meantime, take a peek at the excitement the new SmartLab is getting! [link to pictures, video, or story]
